Dedication

It does not happen very often that a teacher with such a short career at Case is chosen as the person to whom the yearbook is dedicated. Having been here only three years, Mr. Santos has displayed qualities which the students believe personify a good teacher. His strength and ability, friendliness and sincere interest attract the students. Whether on the playing field or in class, he always wants to see his players and students do their best; he tells his team that success is achieved only through willingness and a strong desire, and his faith in the team was rewarded at the close of the football season. Because Mr. Santos graduated from Case only seven years ago, the students feel a special closeness to him and are able to talk to him freely. We dedicate this yearbook to a man who clearly exemplifies what we believe a teacher and coach should be.

Mr. Santos

Administration

Miss Reagan

Few students at Case realize how much work the faculty really does. Miss Reagan, as principal, leads the faculty and student body with dignity and wisdom. She is the person at Case upon whose shoulders the problems and questions concerning students and school life ultimately fall. Although the title "principal" is one that usually puts students on their guard, Miss Reagan has shown us, the Class of 1971 through her words and actions, that she is also a friend. She is always ready to help any student with a problem and willingly gives any advice she feels may be helpful. Miss Reagan has been principal at Case High for many years, and her influence on our lives will be remembered long after we leave.

Miss Helen A. Reagan
Principal

Mr. Edward R. Silva —
Assistant Principal

Mr. Silva

As assistant principal of our school, Mr. Silva is a friend and ally to us. The bond of friendship and understanding which he extends to each and every student is a bond which can "ne'er be broken." Although he sometimes may appear to be abrupt and gruff, it is only a cover up for his soft-heartedness. If you ever have a problem, which seems unsolvable, talk it over with "Unc." While you are in school, he temporarily adopts you and your problems become his problems. Yet, Mr. Silva never asks for much in return. All he asks is that we give him the respect he deserves and obey the rules of the school. Mr. Silva has set an excellent example for us and has shown us the true meaning of friendship and good leadership.

Football 1970

Football

The 1970 football season at Case High School would have to be considered a discouraging one, until the end of course. Faced with one of its toughest schedules in history, the determined and usually over-matched Cardinals won the hearts of people who appreciated their gallant efforts. New Coach Joe Santos instilled in his players the pride and toughness which eventually and probably very shortly will produce a winning Case football team.

Losses to extremely tough Franklin, Westboro, Old Rochester, Seekonk, Milford, Dighton-Rehoboth, Fairhaven, and King Phillip teams were all offset by an astounding 32-28 victory over a powerful Somerset High team on Thanksgiving Day. This victory simply made the season a success and will remain in the memories of Case rooters forever.

As for the future? Blessed with many experienced returnees, coupled with an undefeated freshman team, it seems many more victory rides are in store for next season.

Cross-Country 1970

Cross-country is not a sport of team work. It is a very personal sport in which each runner has to decide whether or not he wants to put out or give up.

Once again the Cardinal harriers pulled off another fine season, ending up with a solid (5-4) record. Rookie coach, Mr. Demary guided the team to their fine season, trying to get the utmost ability out of each runner in every practice session and especially every meet.

The team was led by its two co-captains, Dave Rose and Len Thibault. Dave, more often than not finished first in the meets and Len usually about third or fourth. Seniors Paul Monahan and Tim Riendeau and super-soph Mike (Elmo) Kearns also had fine seasons, all placing in high positions. Other members of the team who deserve a lot of credit for going out for cross-country include seniors Dave Paquette, Bill Shaw, Len Connors; juniors Jimmy Gauthier, Jeff Pickens; sophomores Raoul Faria, Manny Martinez, Dave Michaud, Paul Burke, and Bob Montgomery.

The cross-country runner gets little glory if any. A great deal of dedication and determination goes into cross-country. The results are usually only personal glory; the satisfaction that he as an individual has done the best he could.

Basketball 1970-71

For any other school, an overall record of 14-7 would be considered a successful one, but with the tradition for outstanding basketball teams at Case, this season has to be considered a fair one. Faced with the loss of outstanding players from the succeeding year, victories came tough and some very exciting games were the result. One of the greatest games in the area was a 1 point five-overtime loss against Holy Family.

Co-Captains Ricky Beaulieu and Dennis Leonardo were very consistent performers in every facet of the game. Good scoring and board strength was received from seniors Spencer Belyea and Bill Griffin, and junior Kevin Kelly. Tommy White's outside shooting and Paul Monahan's key steals often broke some tight games open.

A few highlights of the season were first half victories against Seekonk and Somerset and great season closing wins against Connolly and D.R. A first round defeat to Fairhaven ended Case's chances to progress in the Tech Tourney. Incidentally, it was the fifth consecutive year Case had qualified for the Tech.

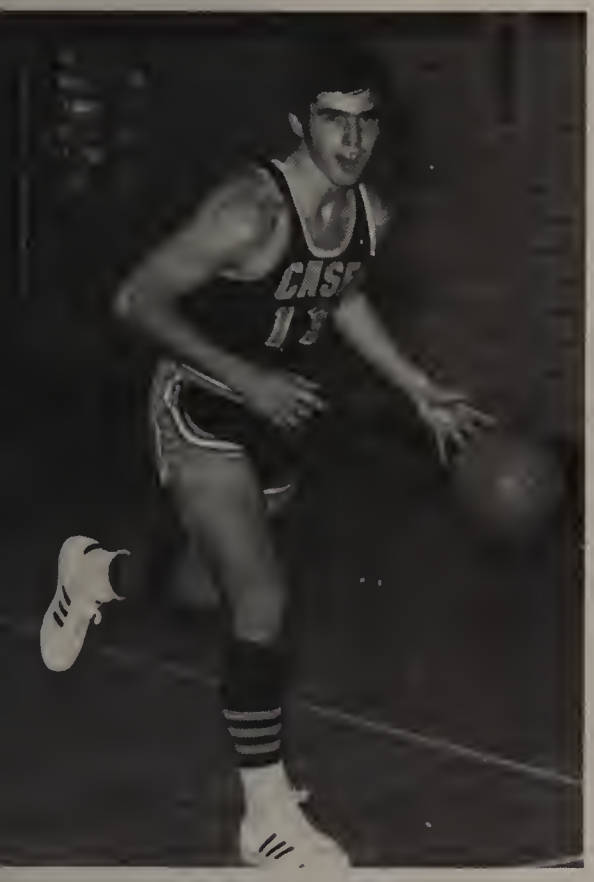

With returnees such as White, Kelly, Chris O'Donoghue, Don Dubois, Doug Larivee, Don Keneshea, Jeff Pickens, and Jim Gauthier, next year can be looked at with optimism.

The Case High Varsity Basketball Team ended its 1970-1971 season with an overall record of 7-7. The team is comprised of 10 girls who know what hard work is. Co-captains Nancy Paulhus and Chris Waddicor along with Sue Burrows led the team in scoring. Rebounding was done by Alison Greene and Martha Hayden. Junior Kathy Shannon helped to spark some victories with key steals. With experienced underclassmen such as Alison Morse, Sharon Walkden, Pam Prescott, and Nadine Nadeau returning, Case should have a winning season next year. The J.V. Team, also under the direction of Miss Galford, had a record of 1 win 10 losses. With more experience, next year should prove a more successful one.
